# **Executive Director Report**

### Submitted: February 9, 2015 by Dave McGerald

**FEDERAL LEGISLATION:** The Early Learning community has been closely following the beginning stages of the roll out of the Child Care Development Block Grant (CCDBG) that was reauthorized this past November. CCDBG sets the requirements for the states to access Child Care Development Funds (CCDF) which cover roughly 45% of our school readiness dollars, the remaining 55% come from the State of Florida and local match (Children's Board).

There was much excitement over the new requirements in the reauthorization language however the implications of the new requirements will most certainly challenge coalition Boards. The requirements are a real boost for children and families participating in school readiness, they include:

- Allowing parents a 3 month window for a job search
- Guaranteeing 12 months of eligibility or until a family hits 85% of the median family income.

The State is required to submit a CCDF Plan that describes how they will meet the new requirements over the next three years. Last week the CCDF Plan Workgroup comprised of 5 coalition ED's (including me) and OEL staff began initial steps to address some of the implications of the new Federal requirements. The guarantee of 12 months eligibility will allow families who exceed the current 200% of FPL to continue to receive services. While continuity of care is good for children, we can expect waitlists to skyrocket without additional funding. Currently children in protective investigation and protective services receive immediate services (no waitlist) for 3 and 6 months respectively. If this goes to 12 months, additional children in working poor families will never receive care.

We are expecting program instruction from the Federal Office of Child Care but it's worth mentioning that the Board will be seeing significant changes over the next year and this is just the tip of the iceberg addressing only two of the many new requirements we will face.

**STATE LEGISLATION:** I have included an update on the legislation that has been submitted by both houses in the Board packet. As a member of the legislative committee for the Association of Early Learning Coalitions (AELC) we are supportive of the proposed bills with one concern related to the VPK program and the use of pre/post assessments. Work on that bill is progressing. Everything else is looking good and our efforts will be directed at supporting the sponsors of the bills and encouraging enhancement in some areas. Enhancement areas include: health & safety; professional development; quality; and recurring funding for slots. Our committee meets every other week until session begins and then we begin meeting weekly.

The Governor's Proposed Budget is simply not adequate to meet the needs of our children. The \$46 increase in per pupil funding for VPK for the 2<sup>nd</sup> year in a row will only get us back to the same funding level we had in 2007... and this increase we won't bring us to that level until the year 2020.

The \$30 million dollar "non-recurring" one –time increase in school readiness slots will reduce our current statewide waiting list from 64,000 children to 58,000 children but only for 1 year. We can do better.

**CCEP:** As previously discussed, the Child Care Executive Partnership provided dollar for dollar match to coalitions and our coalition was allocated \$1,000,000 for FY 14-15. The State has been unable to release their part of the match because the Governor failed to appoint a CCEP Board. Nearly a year ago, the House Education Committee called for an OPPAGA (Office of Program Policy and Government Accountability) report on the issue and that report has been released. The Committee is currently looking for a work around. I spoke with OEL senior staff last week and they are confident a solution will be reached so these dollars can be released and sure-up our slot deficit.

**RECOGNITION:** I was recently contacted by Child Trends, a national research institute dedicated to improving children's lives, about our quality rating improvement system (QRIS) which we call Quality Counts for Kids. The organization interviewed our staff and determined that our program should be included in their QRIS Compendium Data Collection, an annually published research document on quality rating improvement systems across the country.

At the last Children's Board meeting our Quality Counts Team was recognized specifically for having made "significant system impact by providing supports in early education and care." Our staff received applause from their Board.

**EVENTS:** Today (2/9) I presented at two provider meetings at the Airport Marriot. The meetings were designed to assist providers with information and resources related to health care and retirement planning. The event was sponsored by several independent agencies. Approximately 240 providers attended.

<u>Open House</u>: The coalition's open house on January 29<sup>th</sup> was a great success. We had a great showing from the Board, past Board members, partners, and providers.

| Upcoming events include: | March 14: Preschool Palooza w/ Glazer Museum  |
|--------------------------|---|
|                          | <u>March 21</u> : First Annual Community Fair sponsored by<br>Hillsborough County Children's Services   |
|                          | <u>May 2:</u> Our Institute for Early Childhood Professionals is sponsoring an all-day Mini-Conference at the Hilton Garden Inn. There will be two national speakers. |
|                          | August 13: 2 <sup>nd</sup> Annual Educational Success Information Fair  |

**RELEASE OF NEW PUBLICATION:** The first release of the <u>Quality Child Care Booklet</u> is out. The booklet identifies those providers in our county that have achieved Gold Seal Accreditation and/or Quality

Counts for Kids star recognition. Additionally, it identifies those providers who have received Class I violations, the most serious of violations that places children at imminent risk. The Booklet will be updated every 6 months and is also available online. Most important, this helps those caseworkers who assist families caring for children at-risk with making informed choices on child care.

**OPERATIONS:** Staff continues to keep busy with the State's Performance Funding Pilot and just recently uncovered our first case of fraudulent activity associated with the program. The deadline for school readiness providers to meet the curriculum requirements went into effect January 1<sup>st</sup>. Our data analyst has created databases to track both the Performance Funding Pilot requirements and the Curriculum requirements.

In March we will be bringing a recommendation for termination of a provider's contract to the Executive Committee meeting.

We are currently looking into a provider resource from ECE Shared Resources that provides a myriad of resources online to assist providers that is customized to meet Florida requirements. It is being used in Miami and we are looking at cost & benefits.

# **BOARD ACTIVITIES:**

April 14<sup>th</sup> trip to Tallahassee: Five Board members have indicated an interest in participating in the Children's Week activities in Tallahassee, this is the day they Hang the Hands at the Capitol. Two of these Board Members will be driving themselves and we will be in touch with the other 3 to work out travel arrangements. An agenda is being prepared for participants.

The first provider site visit has been scheduled for 3 Board members on Thursday February 26<sup>th</sup>. We will continue visits every quarter for members.

**MEDIA:** Three weeks ago I was contacted by WEDU-TV to assist with a segment they are producing called "How Children Learn Best." We connected the producer with some of our top notch providers and other local experts in the field. The segment is scheduled to air on February 12<sup>th</sup> and will be streamed a few days later at <u>www.wedu.org</u>.

Thank you for your dedication to the children and families in our community,

Dave.

# Executive Director Report – updated from 2/9/2015

### Submitted 2/23/15 by Dave McGerald

**State Legislation**: One additional bill (Senate Bill 250) submitted by Senator Smith has raised some concern from numerous early childhood advocacy groups. The bill is supported by the Florida Association of Boys and Girls Clubs and seeks to allow National organizations of a similar nature to be exempt from licensing regulations. We will continue to follow this closely.

There is also word that the Early Steps program is being gutted. There is an indication that program staff will be cut from 22 to 5 positions on 3/2 and serious budget cuts will occur on July 1. More to follow.

A companion bill to SB7006 has been drafted and should have a number this week. Several amendments have been proposed, the most important one allows the state to allocate CCEP dollars prior to the end of this fiscal year.

It's important to keep in mind that legislative session begins next week and nothing is carved in stone.

**Quality Child Care Booklets**: These have been distributed to the Hillsborough County Sheriff's Office (child protective investigative team), the Guardian Ad Litem program, Eckerd and others.

**Re-OB / De-Ob**: This is the term used by the Office of Early Learning to redistribute surplus coalition dollars to coalitions running a deficit. This activity will take place in the next several weeks.

**Rule Development**: Several rules are being developed by the state that will impact local operations. Currently we are waiting for the school readiness monitoring rule and a 2wait list rule which will begin sometime in March. The rule process can typically take 6 months to a year depending on the workshop and hearing phase.

**Meeting with Superintendent Elia, Chair Aakash Patel, and Mr. Jeff Vinik**: On February 13<sup>th</sup> I attended a meeting with Mr. Vinik, Mary Ellen Elia and our Chair. Mr. Vinik has expressed an interest in how he might contribute to improving the school readiness rates for children in some of our high poverty areas. The Superintendent suggested Mr. Vinik tour the Sulphur Springs area to see the type of progress that has been made with that local initiative. A follow-up meeting will be scheduled.

**Site Visits with Board members**: Sites have been selected and arrangements made for a few Board members to make visits on 2/26. A report will follow.

**Solicitation of Contributions**: On February 7, 2015 the State Dept. of Consumer Services issued a letter indicating the Coalition has met the registration requirements of Chapter 496, Florida Statutes, the Solicitation of Contributions Act.

| RECOMMENDED ACTION: | Appoint the Treasurer as the delegate board member (designee)<br>to accept the Annual Independent Audit on behalf of the Board of<br>Directors in the event the Board is unable to meet prior to the<br>audit submission deadline. |

Federal regulations require that the annual audit be accepted by "those charged with governance" within nine (9) months of the fiscal year end. In order to meet this requirement, the Coalition must submit its annual audit by March 31 of each year.

Currently, the Board of Directors and the Executive Committee are authorized to accept the annual independent audits. However, maintaining compliance with the federal regulations could be problematic if the release of the annual audit does not coincide with a regularly scheduled Executive Committee or meeting of the full Board. Since the audit cannot be completed until OEL releases confirmation, it could be difficult for the Coalition's audit firm to complete the audit within the timeframe necessary to ensure that the Board or Executive Committee has an opportunity to review and accept the audit. Assigning an audit designee would allow the Coalition to meet federal regulations and keep the Coalition in compliance if the Board or Executive Committee is not able to meet to accept the audit prior to the deadline.

Staff is recommending that the Board appoint the Treasurer as the audit designee to approve the annual audit if the Board or Executive Committee is unable to meet prior to the annual deadline for submission of the Coalition's A-133 audit.

After analysis of year to date expenditures thru 12/31/14, Coalition management is projecting CCL will lapse approximately \$106,000.

Coalition staff recommend re-allocating \$80,000 of these funds from operations into direct services (slots) in the School Readiness program.

On December 8, 2014 the Board voted to authorize the use of up to \$50,000 of School Readiness and VPK funds to develop a "Provider Portal" that would streamline and/or eliminate the need for a variety of hard copy documents that flow between the Coalition and Child Care providers. The Coalition staff and our child care providers continue to support the development of a provider portal. In January, the Office of Early Learning (OEL) informed Coalitions across the state that they would be implementing a statewide provider portal by December of this year which would be developed at their cost. Given that information, the Coalition recommends that we do not utilize our dollars for a provider portal that will be replaced in ten months.

| FUNDING SOURCE:     | School Readiness Funds  |
| RECOMMENDED ACTION: | Authorize staff to execute a contract amendment with the School<br>Board of Hillsborough County in the amount of \$280,000. |

After analysis of the December 2014 financial statements, Coalition management is projecting an operating lapse of \$280,000. This represents the combined projected operating lapse for the following agencies:

| Hillsborough County Child Care Licensing        | \$80,000  |
|---|-----------|
| Early Learning Coalition of Hillsborough County | \$200,000 |

In order to maintain the number of children served (slots) in the School Readiness program, staff recommends re-allocating these funds from operations into direct services (slots) and increasing the contract with the School Board of Hillsborough County.

This questionnaire is designed to assess the ELCHC Executive Director's performance. Responses will be summarized and the Executive Committee will convene to facilitate the evaluation with the Executive Director.

Each section begins with a brief description of an important area of responsibility. Please read the areas of responsibility and answer the questions that follow. The questions measure the level of satisfaction with how the Executive Director is carrying out various aspects of each responsibility. Indicate the number representing the degree to which there is satisfaction carrying out each responsibility. Ratings are from 1.0 through 5, with 1.0 representing "Unsatisfactory" and 5 representing "Very Satisfactory". An increment of the rating number can be indicated up to one decimal (i.e. 3.3, 4.6, etc.). An option of answering Not Sure (NS) is also available if it is felt a particular question is not applicable, is not clear, or is not understood. There are also open-ended questions after each section.

#### **Important Notes:**

If a score or any increment of 1, 2, or 3 was given please assist the Executive Director in improving performance by providing a reason for the rating in the space provided at the bottom of the section.

TO: ELCHC Committee Members (Executive Director Evaluation)

FROM: Stephen P. Lee

DATE: February 12, 2015

RE: Draft Employment Agreement

This is provided in conjunction with a draft employment agreement for the Executive Director. As you are aware, the Committee decided to state a limit of 300 hours of personal time off (PTO) payable upon separation. As you also know, the Executive Director's personnel file contains an evaluation dated in 2007 (hereafter the "2007 evaluation") which purports to authorize the accrual and payment of up to 26 weeks of such time upon separation. This variance caused a legal concern regarding whether the Coalition could make such a change. Accordingly, I did some factual and legal research and now provide you with the results.

Factually, I determined that Coalition personnel have, at all pertinent times, been leased employees. Until 2012, they were leased through a contract with the Children's Board. Currently they are leased through a contract with Employers Alliance, LLC d/b/a Fortune Business Solutions. I looked at each contract and found no provisions dealing with how much sick and vacation leave could be accrued or paid out upon separation. Discussions with Coalition staff revealed that when the Children's Board contract was terminated all employees were forced to resign from the Children's Board and no accrued vacation or sick leave was paid at that time. Staff indicated that accrued leave balances were carried forward on the Coalition records, however, the new leasing contract does not make any provision for same, one way or the other. The pertinent ELCHC Board minutes do not reflect any discussion of accrued leave balances or the terms and conditions of the Fortune Business Solutions contract.

While employed by the Children's Board employees were subject to the County's Civil Service Board ("CSB") rules and Children's Board policies. The CSB rules apparently provided for accrual and payment on separation of a maximum of 480 hours of sick leave and 320 hours of annual leave, however, the Children's Board policy did not allow payment of accrued sick leave upon separation. I understand that Mr. McGerald currently has a balance of approximately 1100 hours of accrued leave time, the bulk of which was accrued during the Children's Board years. Current ELCHC personnel policies limit the payout of accrued leave to 300 hours, unless a different arrangement is negotiated. Finally, a review of Board and Executive Committee minutes during the pertinent time of late 2007 and early 2008 do not indicate any discussion or approval of the 26 weeks accrual and payment provisions contained in the 2007 evaluation. I did not review the minutes from the Children's Board from that time period since it is apparent that, upon termination of the ELCHC leasing contract, the Children's Board did not make payment of any amount for accrued leave.

Legally, I cannot find any statutory requirement for private employers to provide for vacations or sick leave or pay any accrued balances upon separation. As best as I can determine, Florida does not provide any such protection to non-governmental employees and employers are free to change their vacation and leave policies at will. Of course, contractual provisions may be enforced and existing policies may be the basis for claims. Further, I am not aware of any provisions in the grant agreement or OEL rules addressing the subject. Accordingly, in my opinion ELCHC may contractually limit the hours of PTO payable upon separation, regardless of the number of hours accrued. However, since the Personnel Policies do not limit the number of hours that may be accrued, I am of the opinion that Mr. McGerald may use his accrued leave time in accordance with current policies and practices.

I feel compelled to point out that this is a draft contract and is subject to change if the parties agree to different terms. Please advise if there are any questions regarding this matter.

RE: Draft Employment Agreement

This responds to your request for clarification regarding the severance pay provisions of the draft employment agreement. The committee concluded that sixty (60) days is an appropriate amount of severance pay should the agreement be terminated for the convenience of the Coalition. You asked if that number is reasonable or comparable to other such agreements. Whether it is reasonable is a matter of policy and subject to negotiation between the parties.

Legally, F.S. §215.425 limits such severance to twenty (20) weeks, however, by its terms the statute does not apply to private employers such as the Coalition. I suspect that OEL would look to the statute should they be asked to opine on the subject.

As far as such provisions in other agreements, I have seen a variety of them, ranging from as little as thirty (30) days (such as in my arrangement with the Coalition) to one (1) year. Accordingly, I cannot say that sixty (60) days is unreasonable, however, the ultimate conclusion is a matter of policy for the Board to decide.

Additionally, you asked about the limitation of payment for three hundred (300) hours of accrued leave upon separation. Again, this number was included in the draft agreement because the committee deemed it reasonable. It is the number contained in the Coalition's Personnel Rules applicable to all employees, however, the Rules do allow for negotiation of a different number. As stated in my earlier memo, I believe that the Coalition may legally reduce the number of hours since Florida law does not provide otherwise and I could not find any documentation that the Coalition Board approved payment of more than the amount provided by the Rules. While I feel confident that the Coalition has a legally viable position, I cannot assure the Board that it would prevail in the event of litigation.

#### EXECUTIVE DIRECTOR EMPLOYMENT AGREEMENT

THIS AGREEMENT is made and entered into as of \_\_\_\_\_\_ by and between the Hillsborough County School Readiness Coalition, Inc., D/B/A Early Learning Coalition of Hillsborough County, Inc., a nonprofit corporation operating in the State of Florida (hereafter "Coalition" or "ELCHC") and Dave McGerald (hereafter "Executive" or "Executive Director"). The Coalition hereby employs the Executive, and the Executive hereby accepts employment on the terms and conditions hereinafter set forth.

#### 1. Term of Employment

The initial term of this Agreement shall commence on the date that both parties sign it and end on June 30, 2015. Thereafter the Agreement shall automatically renew for periods of one year each unless either party provides written notice on or before the first day of April that the Agreement will not be automatically renewed. This Agreement is subject to earlier termination as provided in Section 9 hereof.

#### 2. Duties

The Executive shall perform the usual and customary duties associated with the position of Executive Director of an Early Learning Coalition as defined in the Coalition's job description of this position. These duties include, but are not limited to: oversight and staffing of all employment positions of the Coalition, facilitating and assisting the Board of Directors of the Coalition (hereafter "Board") in their policy making, planning and oversight of the Coalition, planning and governance of the day to day activities of the Coalition, oversee and be responsible for Coalition marketing and public relations and serve as the spokesperson for the Coalition to promote early learning issues to the public, and such other duties as may be prescribed for the Executive Director by the Board or the Executive Committee. The Executive Director will devote his full working time and best efforts to advance the interests of the Coalition in furtherance of policies established by the Board. The Executive reports to the Board or to the Executive Committee when either is in session; otherwise the Executive reports to the appointed Chair of the Board. The Executive is the employed Executive Director of the Coalition with full authority for the management of its affairs subject only to the duties specified by the bylaws, state laws, other governing documents and this agreement. The Executive has sole and exclusive authority for the engagement and discharge of all other employees of the Coalition.

#### 3. Compensation

During the term of this Agreement, the Coalition shall pay the Executive Director a base salary of \_\_\_\_\_\_ per year, payable bi-weekly and subject to payroll deductions as may be necessary or customary for the Coalition's salaried employees. Any increase in base salary must be approved by the Board. This compensation constitutes the entire payment by the Coalition for the services of the Executive. Except as provided for by this Agreement, no other or additional compensation in any form will be considered or paid for the period of this Agreement unless voted upon by the Board specifically for the Executive or generally for all employees of the Coalition. Nothing in this Agreement shall preclude the Executive from receiving stipends from third parties for consulting, conducting workshops, retreats or lectures if performed during paid time off and at his own expense, so long as such activities do not interfere or conflict with the duties as Executive Director.

#### 4. ELCHC Policies

Nothing in this Agreement shall be construed to modify, alter or conflict with the ELCHC Bylaws. In the event of a conflict between the ELCHC Personnel Policies and the terms of this agreement, the terms of this agreement shall prevail. The intent of the parties is that the relationship between the Executive Director and the Coalition will be governed by the Bylaws, the terms of this agreement and, except to the extent of a conflict, ELCHC's Personnel Policies.

#### 5. Benefits

The Coalition shall provide the Executive Director with health insurance or compensation for health insurance and the other benefits available to all salaried employees of the Coalition. The Coalition reserves the right to modify, amend or terminate employee benefits, but with recommendations as to budgetary objectives from the Executive Director.

#### 6. Paid Time Off (PTO)

The Executive Director shall be entitled to annual paid time off of \_\_\_\_\_hours. This time will accrue at the rate of \_\_\_\_\_% per pay period. Upon termination of this Agreement the Executive Director will be eligible for payout of accrued PTO up to a maximum of 300 hours.

#### 7. Performance Evaluation

The Executive Committee of the Coalition shall review the Executive Director's performance every six (6) months and may consider whether an increase in base salary is appropriate. The Executive Director acknowledges his receipt and review of the documents containing the Coalition's performance review process and criteria.

#### 8. Expenses

The Coalition shall underwrite or reimburse the Executive Director for all reasonable expenses incurred in connection with the Coalition's activities as allowed by Coalition policy, Office of Early Learning Policy or State Statute.

Subject to budget constraints, the Coalition shall provide a reasonable allowance for the Executive's attendance at continuing education conferences.

#### 9. Termination of Employment

The term of employment under this Agreement is subject to early termination in accordance with this Section. All accrued PTO will be paid in full to the Executive Director upon the last day of employment regardless of reason or rationale for termination (voluntary or involuntary).

a. By Coalition for Cause. The Coalition may terminate the employment of the Executive Director for cause at any time. "Cause" shall mean conviction of a felony or entry of a plea of no contest to criminal proceedings, regardless of whether there is an adjudication of guilt, gross neglect of duties, substance abuse, or material violation of this Agreement by the Executive Director. In the event of any such termination, the Executive Director shall have no claim for further compensation or severance pay, other than pay-out for all accrued PTO, beyond the date of termination.

b. Death or Disability. Employment shall terminate upon the Executive Director's death or permanent disability in which event the Executive Director, personal representative or estate shall receive such benefits as may be provided to all deceased employees under such employment policies as may be in effect at the time. c. Resignation. The Executive Director may, at any time, resign upon not less than thirty (30) days prior written notice to the Coalition. The Executive will receive full compensation during that notice period. At its sole discretion, the Coalition will determine whether to require that the Executive perform the Executive's duties for the Coalition during that notice period. The Coalition and the Executive will mutually agree upon any communications within the Coalition or to the public regarding the resignation.

d. By Coalition for Convenience. At the Coalition's discretion, the Coalition may terminate this Agreement for any or no reason upon thirty (30) days written notice. The parties may agree to an earlier separation. In the event of a termination for convenience, the Executive Director shall be entitled to be paid for the actual time worked plus sixty (60) days severance pay. In the event that a termination for cause is later determined to be invalid for any reason by a court or administrative proceeding, the termination shall automatically be converted to a termination for convenience.

e. Discontinuation of Services. The Coalition receives funding from the State through discretionary programs administered by the State of Florida. In the event State funding is terminated then the Executive Director's employment may terminate if there is not sufficient funding from other sources for the Coalition to continue operating.

#### 10. Intellectual Property, Confidentiality, and Investments

The Executive recognizes and agrees that all copyrights, trademarks, or other intellectual property rights to created works arising in any way from the Executive Director's employment by the Coalition are the sole and exclusive property of the Coalition. The Executive agrees to not assert any such rights against the Coalition or any third parties. Upon termination of this Agreement by either party for any reason, the Executive will relinquish to the Coalition all documents, books, manuals, lists, records, publications or other writings, keys, credit cards, equipment, or other articles that came into the Executive's possession in connection with the Executive's employment by the Coalition. The Executive will maintain in confidence during and subsequent to the Executive's employment any information about the Coalition or its members which is confidential information or which might reasonably be expected by the Executive to be regarded by the Coalition as confidential.

#### **11. Indemnification**

The Coalition indemnifies, holds harmless, and will defend the Executive against claims arising against the Executive in connection with the Executive's performance of the duties of the Executive's employment by the Coalition to the full extent permitted by law, but not with respect to claims successfully resolved against the Executive that the Executive engaged in fraudulent, grossly negligent, or criminal acts.

#### **12. Alternative Dispute Resolution**

Any controversy or dispute arising in connection with or relating to this Employment Agreement of the Executive Director's employment with the Coalition shall be submitted to mediation or other mutually agreeable alternative dispute resolution prior to the commencement of any action under this Agreement. The parties agree to negotiate in good faith toward a resolution of such controversy or dispute. If after completion of such mediation or other dispute resolution, the parties have failed to reach resolution, venue shall lie in Hillsborough County, Florida, on any court action brought under this Agreement.

#### **13. Entire Agreement and Notices**

This document contains the entire agreement of the Coalition and the Executive. It may not be changed orally but only by an agreement in writing signed by the Coalition and the Executive. This Agreement supersedes and cancels all previous agreements between the Coalition and the

Executive. Any notices or other communications required or permitted to be given under this Agreement shall be deemed to have been duly given if in writing and delivered personally, or sent by registered or certified mail, return receipt requested, to the party at the address of the Executive Director on file at the office of the Coalition and to the Coalition at 6800 N. Dale Mabry Highway, Suite 158, Tampa, Florida 33614.

#### 14. Successors

This Agreement is binding upon the Coalition and the Executive, their heirs, executors, administrators, successors, and assigns. The Executive will not assign or delegate any part of the Executive's rights or responsibilities under this Agreement unless the Executive Committee of the Coalition agrees in writing to the assignment or delegation. In the event dissolution of the Coalition, this Agreement will continue in force through the then-current period of employment. In the event of any merger, consolidation or reorganization involving the Coalition, this Agreement becomes an obligation of any legal successor or successors to the Coalition.

#### FINANCE REPORT as of January 31, 2015

#### School Readiness

School Readiness (SR) expenditures for July 2014 through January 2015 were \$27,413,906. This is a total of OEL SR (\$26,508,249) and CBHC SR Match (\$905,657). CCEP for 2015, which impacts CBHC SR Match, has not yet been released. It's expected release date is May 2015. The direct services (slots) portion is \$22,320,423. Due to continued high enrollment, current year child care slots expenditures are approximately 6.17% higher than budgeted. In order to contain costs, and reduce the projected deficit, a freeze on enrollment of BG8 children remains in place. Administrative costs were \$680,072, or 2.57% of total OEL SR expenditures which is well below the mandated cap of 5%. Quality expenditures were \$2,064,431. Total operating costs, which include administrative, program support, and quality expenditures, were \$4,187,826, or 15.80% of total OEL SR expenditures. The mandated cap for operating costs is 22%.

#### Voluntary Pre-kindergarten

Voluntary Pre-kindergarten expenditures for July 2014 through January 2015 totaled \$16,674,720. The direct services (slots) portion is \$16,065,136. Due to the normally low enrollment in July, this is approximately 3.14% lower than budgeted. Historically, July is a low enrollment month for VPK which contributes to low YTD expenditures. However, by the end of the fiscal year, the coalition has typically expended more than its VPK allocation. Administrative costs were \$609,584, or 4.52% of direct services which is above the mandated cap of 4%. This percentage continues to decline as the Coalition works to contain costs associated with VPK administrative activities.

#### **Quality Counts for Kids**

Expenditures in the Quality Counts for Kids program for July 2014 through January 2015 totaled \$1,276,200 while revenue was \$1,291,301, resulting in a current surplus of \$15,101. The QCFK contract with CBHC is structured to allow up to 10% of program expenditures to be reimbursed as administrative costs. If administrative costs for QCFK remain below the 10% cap, a surplus is the result.

#### **Community Projects**

Expenditures for community projects, for FY 14/15, July 2014 through January 2015 totaled \$95,415 while revenue was \$93,276. Since expenditures were greater than revenue, the coalition is currently running a deficit in this category of (\$2,139). Activity in Community Projects is predominantly generated by the Tampa Bay Institute for Early Childhood Professionals (IECP).

ITEM VI.A. 03/02/2015 Special Board Meeting

**ISSUE:** 

ELCHC's fiscal year 2015-2016 operating budget.

#### BACKGROUND:

Coalition staff are preparing the operating budget for the FY 2015-2016. The budget will be prepared using current year's activities as a basis for projections while looking for cost savings where possible.

- Personnel
  - Should the budget include a salary increase for staff?
    - Salary increases would cost the following, including related benefits.
      - 2%--\$42,204
      - 3%--\$63,306
      - 4%--\$84,408
      - 5%--\$105,510
  - In continuance of the policy established for FY2015, to contain health insurance expenditures, all increases in health insurance premiums will be passed on to staff.
- Operating Costs
  - The budget will be prepared using current year's activities as a basis for projections while incorporating cost savings where possible.
- The budget will include an allocation of \$175,000 for Ready Rosie, which would be the first year of a 5 year commitment.
- The budget will also include reducing net assets by \$300,000 to be invested in direct services.
- Resources needed in support of the strategic plan.
- The budget workshop to review the proposed operating budget has been tentatively scheduled for May 11, 2015 with the location TBD.

Tampa Bay Institute for Early Childhood Professionals (IECP)

#### BACKGROUND:

Research shows that the more education and training early care and education professionals have, the better the care and education children will receive, and this contributes to more positive short and long-term outcomes for children. The Tampa Bay Institute for Early Childhood Professionals (IECP) supports early childhood practitioners as they work to improve educational opportunities for young children. IECP provide opportunities for educators to participate in professional growth opportunities and to access materials to increase the quality of early learning experiences for young children.

IECP provides the following services:

- **Career advising** is a one-on-one process through which the advisor offers information, guidance, and advice to a provider about professional growth, career options, and pathways to obtain or meet required qualifications such as a CDA, Director's Credential, Associates Degree, etc. Information is also provided regarding financial assistance to help defray the cost of required qualifications.
- **Teacher Work Room** that has a variety of tools available for teachers to utilize such as multiple size laminators, die cut machines, book binding materials, construction paper, cutting tools, large table top areas and many other "tools of the trade". These tools and materials allow teachers to develop classroom materials to support instruction.
- Lending Library that has a wide variety of materials to support early childhood teacher's knowledge of best practices, support the development of lesson plans and enhance the early learning environment. IECP has a selection of high-quality children's books (English and Spanish), as well as prop boxes. Prop Boxes are tools for the teachers which support children's cognitive and motor development. Each prop box is based on a common theme used in early childhood classrooms and contains books, concrete objects related to the theme and child-centered center activities and explorations.
- Live Scan services to ensure child care providers and other individuals are able to have complete pre-employment fingerprinting services. In an effort to assist the community, the services are offered at a discounted rate compared to other public entities that perform the same services.
- **Training** to increase practitioners' knowledge of program evaluation measures such as the Environment Rating Scales (ERS) and Classroom Assessment Scoring System (CLASS), developmentally appropriate practices (DAP), emergency preparedness, curriculum, etc.

In addition to the trainings offered in the Bulletin, IECP is hosting Making the Most of

*Classroom Interactions* (MMCI) which is required for all practitioners involved in OEL's Performance Funding Pilot. Eighty practitioners are attending the MMCI training at IECP (an additional 80 practitioners are attending MMCI at the ELCHC's administrative offices)

• IECP membership meets the requirement for membership in a professional organization required to renew the Florida CDAE or the Florida Child Care Professional Credential (FCCPC). IECP members each receive a copy of the Focus Magazine which contains information relevant to the field of early care and education practitioners and a copy of the Bulletin which lists professional development opportunities.

Between July 1, 2014 and December 31, 2014:

- 1,060 people have visited IECP to attend trainings and/or meetings, use the Teacher Work Room and/or borrow resources
- 373 people are members
- 105 Live Scans have been provided

In October 2014, a survey was sent out to providers asking some key questions about IECP and the services offered. Comments from the respondents indicated that:

- 88% of those responding say they are "very satisfied" or "satisfied" with the overall services at IECP.
- the key reasons for becoming a member of IECP was to utilize the resources (32%) and/or to receive training discounts (27%).
- the most requested training topics include Child Development, Supervision/Leadership and Teacher-Child Interactions.
- 87% of those responding are "very satisfied" or "satisfied" with the customer service provided at the IECP.

Some of those who responded to the survey had these things to say about IECP and the services provided:

- "This is a nice place and I hope it remains for the providers who can't afford to purchase things but can check them out. Great idea!"
- *"I am very impressed with the trainings and all the great information I come away with. The staff is helpful and the facility is comfortable and pleasant."*
- "Love the staff they are always professional and really enthusiastic about helping me achieve my professional objectives"
- "I always am so pleased with the materials that I borrow. It feels like Christmas each time I leave there with all the goodies. I love the new "book bags" that are being sold from the make and takes that are used in class. The ladies there are just so creative. Thanks for all you do to make our jobs easier in the field."

Currently IECP is the only "one-stop-shop" for practitioners in the Tampa Bay area. Although other counties may have pieces of what the IECP has to offer, no other county has a comprehensive system of services for early childhood educators.

Currently, the IECP is available to providers on Mondays, Thursdays and Fridays from 9:00a-4:00p, Tuesdays 1:00p-7:30p, Wednesdays 9:00a-1:00p and every third Saturday of the month from 9:00-a-1:00p.

#### **INFORMATION**

**ISSUE:** 

**Communications & Outreach Update** 

#### Tampa Bay Chamber of Commerce

On October 28, 2014 Communication staff attended a Chamber luncheon presentation held at the University Club. As a result of contacts made at the event, several Linked-In connections were made as well as having one contact from H.A.R.T. (Hillsborough Area Rapid Transit) submit an article for the last issue of the Provider's Focus Magazine. Data and Fiscal staff also attended at Chamber Brown-Bag session on Tech Ideas on October 21, 2015, and IECP staff attended a Coffee Connection conducted by the Chamber.

#### **Raising a Reader**

Staff has been collaborating to ensure that the terms of the grant received from the Tampa Bay Rays Baseball Foundation are satisfied in regard to outreach materials and efforts. Staff is in the process of developing the website information in addition to the 'tags' for the next round of bags to be put into the community.

#### **ELCHC Board Strategic Planning**

Staff has devoted a significant amount of time working with the consultant in the development of a final draft for the ELCHC Strategic Plan. As needed, staff has assisted the consultant in developing the goals, objectives and strategies presented in the draft plan.

#### State CCR&R Workgroup Meetings

As follow-up to the November/December statewide CCR&R meeting in Tallahassee, staff has participated in workgroups via conference call that were established in an effort to implement broad changes planned for the state CCR&R. Nancy Metzker will be working on the Database/Electronic System workgroup. Thus far, only the Rebranding Workgroup has convened.

#### **Collaboration with The Straz Center for the Performing Arts**

As part of its regular annual programming, the Straz Center for the Performing Arts offers the *Kids Time Series* and the *Wee Folks Series* for children. These performances are very popular and fairly well attended. As part of its growing relationship with ELCHC, the Straz Center periodically contacts ELCHC when tickets are available for a *Kids Time* or *Wee Folks* performance. In January, the Straz contacted staff regarding the availability of 20 tickets for the January 24<sup>th</sup> performance of Fly Guy and Other Stories. The Coalition moved the tickets to families in the community that would have otherwise been unable to attend the event. Tickets were valued at an estimated \$250.

Communications staff is also in the processing of working with the Straz on a process or program for integrating parent information, supplied by the ELCHC, into info packets/gifts for parents that participate in the 2015-2016 Kids Time and Wee Folks series at the Straz. The effort is still in the development stages.

#### IECP Mini Conference – May 2, 2015

The Tampa Bay Institute for Early Childhood Professionals (IECP) periodically conducts special training events targeted toward IECP members as well as early childhood professionals from around the region. Communications staff has spent a large number of hours constructing a branded package for this event scheduled to take place on Sat., May 2, 2015. The designed event package included: Save the Date Card, Posters, flyers, the event agenda, speaker bio pages, and CEU certificates.

#### Collaboration with the Glazer Children's Museum

ELCHC staff continued to work with Kerry Falwell, Director of Education & Community Partnerships at the Glazer Children's Museum in development of a collaborative event with the ELCHC. The event, which is entitled **Preschool Palooza**, is targeted to ages 2 to 6 years of age and will take place on Sat., March 14, 2015 from 10:00 am to 3:00 pm. The event's theme is quality early childhood education and will feature activities directed by area early childhood programs identified as gold seal accredited and/or participating in ELCHC's Quality Counts for Kids with a star rating. Highlights of the event are short parent seminars about identifying and choosing quality child care, early childhood health, and early childhood mental health. The ELCHC is a sponsor of the event, which is allowing for a 50% discount on all admission categories.

#### Children's Week/Hanging of the Hands

Historically, each year during the Florida Legislative session, early childhood advocates have made thousands of paper cut-outs of children's hands decorated by children and their teachers. These 'Hands' are collected by communities all over Florida and sent to the Capitol for display during Florida's Children Week which is April 12 -17, 2015. This year will be no different.

This year, the official *Hanging of the Hands* will take place in Tallahassee at the State Capitol Rotunda on Sunday, April 12 at 12:30 pm. The actual *Hanging of the Hands Dedication Ceremony* takes place on Tuesday, April 14, which by no coincidence is also *"Children's Capitol for a Day"*. Thousands of non-profit partners, policy makers, faith based leaders and advocates will join together to recognize the efforts of teachers, parents and children and dedicate the display to the 2015 Florida Legislature. The Hands will remain in the Capitol Rotunda for the entire week as a vivid reminder to legislators and advocates that we must take care of our most precious commodity - our children!

Here in Hillsborough, the ELCHC continues to spearhead an effort to submit 'Hands' for the statewide display. The ELCHC will be encouraging early childhood programs, families, and advocates to contribute to the 'Hands' display. We will be accepting the 'Hands' at multiple locations until 4:00 pm on Friday, March 20, 2015.

#### **Op-ed for Chair Patel**

Staff was instrumental in the research, writing and submission of an OpEd for Chair Patel that was submitted to and published by the Tampa Bay Times and the Tampa Tribune (*see attached*).

#### **ELCHC Open House**

Communication staff also devoted time to the planning of the ELCHC Open House, which was held on Thursday, January 29, 2015 from 3:30 pm to 5:30 pm. The event was well attended by providers, Board members and community partners. (*See photos below*)

#### Hillsborough Quality Child Care Program Listing

Communications staff, in coordination with the ELCHC data administrator and staff early childhood specialists compiled and designed the *Hillsborough Quality Child Care Listing*. The purpose of the booklet is to help make selection of quality child care in Hillsborough easier for front-line child welfare workers as well as parents. The booklet is divided in to two sections. The first section highlights programs and are Gold Seal Accredited and/or participating in the ELCHC Quality Counts for Kids program with a star rating. This section also identifies whether or not the programs are School Readiness and/or the Voluntary Prekindergarten sites. The second half of the book identifies those programs that have received a Class One Violation within the last 12 months from the date of publication. Currently, the booklet has a publication schedule of twice a year (January and June) and is available in print (2000 units) and online.

#### **ELCHC Agency Collateral Revamp**

In collaboration with senior staff, all agency collateral has been redrafted and redesigned to reflect current Coalition programs and services. The information was prepared and ready for distribution at the ELCHC Open House on January 29<sup>th</sup>. Revised collateral included 4 local fact sheets about ELCHC programs and services as well as a general agency brochure. All the above referenced collateral is currently out for print.

#### **United Way Early Literacy Summit Workgroups**

Toward the end of 2014, The United Way of the Suncoast initiated a countywide Early Literacy Summit. They continue their efforts via various community-staffed workgroups formed address the issues brought forth during the daylong Early Literacy Summit. ELCHC Communications and Operations staff has participated in a number of the workgroups and will continue to assist as the United Way moves toward a Summit follow-up event in May. We look forward to the chance to convene again soon and for your participation as researchers and project planners. We are also very eager to share progress made in the Tutoring and Mentoring and Teacher and Provider Supports Workgroups.
