

Explore Kindergarten: Team Scavenger Hunt

Welcome to kindergarten!

It's time for an adventure around the school with your teacher.

Find the places on the list and mark them off as you go.

Let's begin in the classroom:

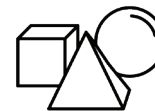

The place where I keep my things

The place where I sit

The place where we line up to leave the classroom

The classroom learning areas

My classroom's restroom

**Now let's continue
beyond our classroom:**

The lunchroom
or cafeteria

The playground

The school office

The restrooms outside
my classroom

The pickup and
drop-off areas

The library or
media center

The school clinic
or nurse's office

**When you complete the scavenger hunt, celebrate!
Now you've been all around your new school.**

Connect to literature

Teachers may use early literacy books to complement the school scavenger hunt activity. Some book suggestions are: "We're Going on a Bear Hunt" by Helen Oxenbury, "Rooster's Off to See the World" by Eric Carle, "Rosie's Walk" by Pat Hutchins and "The Gingerbread Man is Loose in the School" by Laura Murray.

Teachers may use visual key and place it at each specific location beyond the classroom prior to beginning the school scavenger hunt with the students. This will help students find each location as they look for the visual key (e.g. a star, a gingerbread man, animal pictures, bears).
