CLASS Group Coaching (MMCI) is a 12 session series, with each session being 2 hours in length. Participants must attend ALL 12 SESSIONS, or 24 hours in total. CLASS Group Coaching (MMCI) Saturday series (with only 6 dates) are *double sessions*; times reflect 4 hours of training on those days with a 30 minute break between each session.

To register, participants must have an active Account on the Coalition’s Learning Management System (LMS): to set up an account go to elchc.talentlms.com. For those with an active LMS account, all available CLASS Group Coaching (MMCI) trainings are listed in the LMS Course Catalog; follow the prompts to register. Each Class Group Coaching Training is limited to 20 participants; registration is on a first-come, first serve basis.

If you have any questions, contact Twyla Hartz at thartz@elchc.org for more information.
