

Are you serving a child with School Readiness who has an Individualized Family Support Plan (IFSP) or Individualized Education Program (IEP), a medical diagnosis or receives therapy.

elchc.org

A **Special Needs Rate** can be requested by a provider and is based on a review of how a provider is making individualized accommodations to support a child's needs.

Funding can be used for accommodations such as: lower ratios, sensory tools, visual aids, specialized, training, or certifications, adaptive equipment, and more.
