

Meet Our Early Intervention Support Services Team

early.intervention@elchc.org

Our Early Intervention Support Services (EISS) team is here to help children get the support they need to grow, learn, and thrive. We assist families and caregivers with developmental screenings like the Ages and Stages Questionnaires (ASQ-3 and ASQ: Social-Emotional), Early Steps and Child Find referrals, and behavioral screenings. We also offer guidance through our Warm Line, provide resources for children with developmental delays or special needs, and help with Special Needs Rate requests. Whether you're looking for answers, support, or next steps, we're here for you every step of the way.
